Planning

# 1. PROJECTS

Completing deferred and preventative maintenance projects was identified as a top priority during 2016 strategic planning

# 2. PERSONNEL

Providing adequate staffing and services while experiencing significant growth has been a challenge and a priority.

This past year the City hired three new full-time employees including a new Fire Chief, a public works operator and a parks maintenance worker.

# 3. PUBLIC SAFETY

Focus on Police and Fire to assure continued safety and well being of our residents and visitors

In 2017 recognized as 16<sup>th</sup> Safest City in Wisconsin by Safewise.com
