The Eau Claire Dog Park (otherwise known as the Off-Leash Recreation Area) is a facility where people may responsibly exercise their dogs without leashes.

While the park is part of the Eau Claire City Parks, Recreation & Forestry Department, it is also supported by a community group that promotes, improves, and helps maintain the facility.

If you are interested in joining this group or learning more about what we do, please feel free to attend our next meeting.

The Recreation area is intended to provide a place for you and your pet to socialize with others.
