

Pool Fill Policy & Sanitary Sewer Credit Application Information

If your pool requires at least 10,000 gallons of water, you utilize a garden hose to fill your pool, and your home does not have a deduct meter (a.k.a. sprinkler meter), you can obtain a credit for the sanitary sewer portion on your water bill. To obtain a credit, please complete the application below and return it to City Hall. If you have any questions, please call City Hall at 715-839-6092. Thank you.

CREDIT IS EXTENDED ONE TIME PER YEAR

Pool Fill Credit Application for Sanitary Sewer

Please keep in mind that a credit for the sanitary sewer portion of your water bill is only available to homeowners with pools larger than 10,000 gallons and if your home does not have a deduct meter (a.k.a. sprinkler meter).
